

How to Register for a Nutanix Technical Certification Exam

Nutanix Technical Certification exams are now delivered in a remotely proctored environment to **add security** and help **ensure the seriousness, authenticity, and credibility** of your certification.

Registering for an Exam

1. Log into the Nutanix Education Portal:
 - [End Users](#)
 - [Partners](#)
 - [Employees](#)
2. Confirm the exam is available, then click on “Take an Exam”
3. Select “Schedule Exam”
Follow the prompts to select your exam delivery date and time, then provide your payment (or discount/voucher) information.
4. On your scheduled date/time:
 - Follow steps 1-2
 - Select “Launch Exam” and follow the instructions on screen
 - Complete your exam, being sure to follow the [online exam guidelines](#)
5. Celebrate!
You’ll receive your exam results immediately. Your certificate will be available in the Education Portal within 7 days.

After you’ve reviewed the exam blueprint guide, follow the steps to the left to register for your exam.
